

Die 3er - Reihe

Schreibe die Zahlen von 1 bis 30 in die Kette
und male die Zahlen der 3er- Reihe rot an!

<input type="text"/>	<input type="text"/>	<input type="text"/>	1 mal 3 = _____
----------------------	----------------------	----------------------	-----------------

<input type="text"/>	<input type="text"/>	<input type="text"/>	2 mal 3 = _____
----------------------	----------------------	----------------------	-----------------

<input type="text"/>	<input type="text"/>	<input type="text"/>	3 mal 3 = _____
----------------------	----------------------	----------------------	-----------------

<input type="text"/>	<input type="text"/>	<input type="text"/>	4 mal 3 = _____
----------------------	----------------------	----------------------	-----------------

<input type="text"/>	<input type="text"/>	<input type="text"/>	5 mal 3 = _____
----------------------	----------------------	----------------------	-----------------

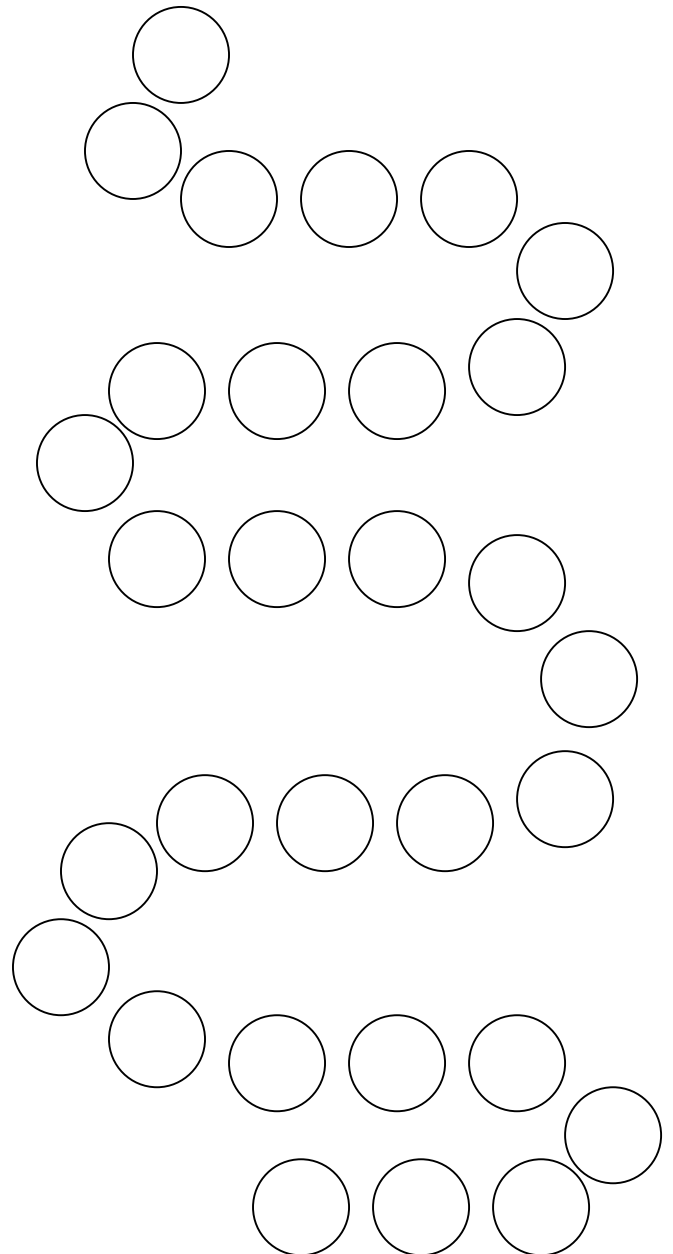

<input type="text"/>	<input type="text"/>	<input type="text"/>	6 mal 3 = _____
----------------------	----------------------	----------------------	-----------------

<input type="text"/>	<input type="text"/>	<input type="text"/>	7 mal 3 = _____
----------------------	----------------------	----------------------	-----------------

<input type="text"/>	<input type="text"/>	<input type="text"/>	8 mal 3 = _____
----------------------	----------------------	----------------------	-----------------

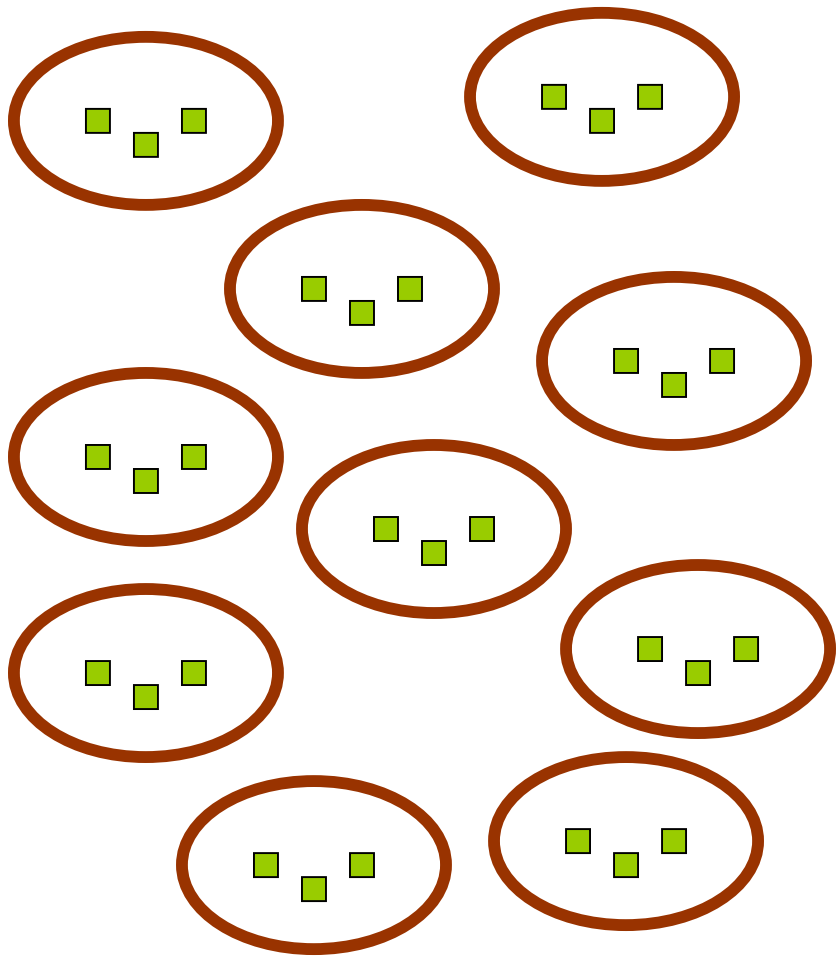

<input type="text"/>	<input type="text"/>	<input type="text"/>	9 mal 3 = _____
----------------------	----------------------	----------------------	-----------------

<input type="text"/>	<input type="text"/>	<input type="text"/>	10 mal 3 = _____
----------------------	----------------------	----------------------	------------------

Zusatzaufgabe : nimm die 100er - Tafel, und lege die 3er - Reihe mit den Plättchen nach.

$1 \times 3 = \underline{\quad}$
$2 \times 3 = \underline{\quad}$
$3 \times 3 = \underline{\quad}$
