Arbeitsblatt zur optischen Differenzierung:
(@Carolin Hackspacher Legasthethetrainerin)

Wie viele Stücke von jeder Art gibt es hier?

Ergänze die Anzahl zum nächst höheren Zehner durch eigenes Malen von blauen oder roten Punkten.

Arbeitsblatt zur optischen Differenzierung

@Carolin Hackspacher Legasthietrainerin

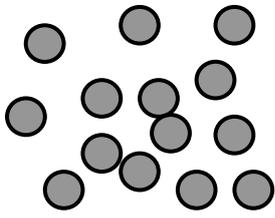

1.) Wie oft kommen die verschiedenen Figuren vor
2.) Schreibe ihre Anzahl auf und ergänze sich durch eigenes Zeichnen zum nächsthöheren Zehner

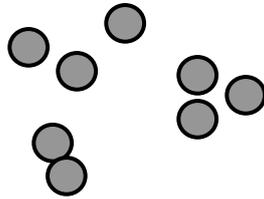

Optische Differenzierung 3 (@Carolin Hackspacher Legasthethetrainerin)

Wie viele blauen Punkte siehst du?

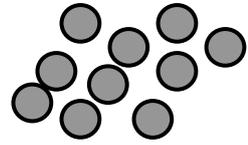

Wie viele fehlen noch bis zum nächsten Zehner?
